 **FREUDENBERG**

LEADING WITH **LESS**

As a global leader in cleaning solutions, we believe that they all must contribute to a sustainable future. So, we put leadership in every product.

Lead with our brand-new range of single use wipes and mops. All coming with highest microfibre cleaning performance – up to 100% recycled and recyclable.

Lead with less waste and less CO₂ emissions to further reduce your stakeholders' footprints and contribute to a healthier planet.

Grow your business on sustainable values:
Leading with Less.
